

**The University of Michigan  
Team Project for the M. Eng. in Mfg.  
Selection Form**

1. NAME : \_\_\_\_\_

Students admitted to the Master of Engineering in Manufacturing must complete a Team Project as part of their degree requirement. From the selections below, please let us know your preference in completing a team project so we know how to process your application.

---

**Interdisciplinary Professional Programs (InterPro) Practicum Projects:**

<http://interpro.engin.umich.edu/practicum/index.htm>.

The Program in Manufacturing (PIM) is within InterPro which co-ordinates several interdisciplinary professional programs. InterPro secures a variety of projects from industry for its students and for graduate students in various departments within the College of Engineering.

If you are interested in participating in a project through InterPro, please circle if it is your first, second or third choice.

**First Choice**

**Second Choice**

---

**Tauber Institute for Global Operations (Tauber Institute):** <http://www.tauber.umich.edu>.

Tauber Institute secures a variety of team projects from industry for M. Eng. in Mfg. students and other students in the College of Engineering/U-M Business School.

If you wish to be considered by the Tauber Institute, please circle if it is your first, second or third choice

**First Choice**

**Second Choice**

and submit an essay with your application in addition to your Statement of Purpose answering the following question:

***“What are your career interests in manufacturing and how do you perceive Tauber Institute relating to your goals?”***

---

**Part-Time**

Applicants who intend to pursue their degree part-time have several options to complete their team project requirements and should contact the Manufacturing Engineering office for more details.

**PART-TIME**
